User Manual

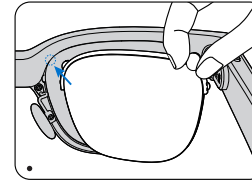

Rokid Glasses Lens Inserts

Product Introduction

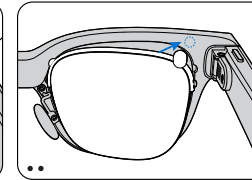

- ① Lens Frame
- ② Lens
- ③ Hook
- ④ Magnet

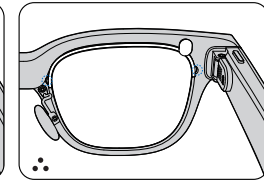

Usage Instructions

1. Push the lens holder's hook into the slot.

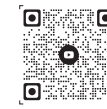

2. Magnetically attach the other side of the lens holder to the frame.

3. Ensure the lens frame is securely positioned in the positioning groove to complete the installation.

Safety Information

- Do not store this product with sharp or rough objects to avoid scratching the surface.
- The lens is fragile; avoid any impact or force that may cause damage to the lens.
